

(Houston, TX – April 5, 2007)

### **Trimac Acquires KFJ Trucking**

Trimac Transportation U.S., has acquired the assets of KFJ Trucking. KFJ Trucking is a Cleveland, Utah based transportation company, focused on coal transport in the state of Utah. The acquisition will strengthen - Trimac's coal hauling line of business and will create significant new growth opportunities for the company.

KFJ Trucking operated 33 power units and 40 trailer sets, with revenues of over \$13 million in 2006. Most of the 58 drivers and office personnel employed by KFJ will become Trimac employees. This acquisition closed on April 2, 2007.

#### About Trimac Transportation US

Trimac Transportation U.S. operates over 1,100 tractors and over 2,600 bulk trailers in the transportation of bulk commodities, including chemicals, petroleum, cement, sand, fly ash, lime and dry plastics. Revenue for Trimac's U.S. operations for 2007 is projected at US \$268 million. We employ 1,819 full and part-time people, including company drivers, and independent contractors under lease. Additional information about Trimac Transportation U.S. is available at [www.trimac.com](http://www.trimac.com).
